DOCKETED BY	nr
-------------	----

This Data Request is for the Arizona Corporation Commission and the current interim manager of Diamond Valley Water Users Corporation. Please answer each of these questions.

1. Please provide descriptions of each of the approximately 30 parcels served by Diamond Valley Water Users Corporation that are not in the current District boundaries.
2. Please provide any evidence that water rights required by the Arizona Department of Water Resources for these parcels have been obtained.
3. Please identify and describe any water lines (excluding the yard lines from the meter to the house) used to provide service to these parcels that are not the property of Diamond Valley Water Users Corporation.
4. Will any liabilities of the Diamond Valley Water Users Corporation be transferred to the Diamond Valley Water District?
5. If any liabilities will be transferred please list separately each account that will be transferred and the current total balance for each account. (This should include but not be limited to all security deposit, contributions in aid of construction, advances in aid of construction, facilities charges, property taxes and sales tax accounts.)
6. Please describe all assets that will be transferred to the Diamond Valley Water District.
7. Will the office supplies, office equipment, computer equipment and software of Diamond Valley Water User Corporation will be transferred to the Diamond Valley Water District? Please describe how and when this transfer will occur.
8. Will all the records of Diamond Valley Water Users Corporation currently in the possession of Bradshaw Management Corporation and Bradshaw Water Company be transferred to the Diamond Valley Water District?
9. If all the Diamond Valley Water Users Corporation records will not be transferred please describe which records will be provided to the Diamond Valley Water District and when will these records be transferred?
